

Super Strength Omega 3 – 1,000mg

High DHA & EPA formulation

What is Super Strength Omega 3 1,000mg?

Our unique Super Strength Omega 3 capsules provide the ideal one-a-day solution for anyone who fails to achieve enough oily fish in their diet or anyone looking for particularly high levels of omega 3 DHA and EPA. Each one-a-day 1,000mg capsule provides an unparalleled 600mg total omega 3, including 200mg DHA and 300mg EPA. The oil used has been highly distilled to remove any toxins.

We are very proud that this product has achieved Friend of the Sea certification due to our sustainable fish oil sourcing. For more info visit www.friendofthesea.org

Pharmaceutical quality

This Healthspan product is produced to pharmaceutical standards in government-approved facilities that operate to the highest manufacturing standards known as GMP (Good Manufacturing Practice). The purity of all ingredients is rigorously tested before manufacture.
